1. The following budget estimates for 1897-98 were placed before the Board :—

1. Consolidated budget estimates of receipts and expenditure for 1897-98.
2. Statement showing the assets upon which the estimate of local cess has been calculated for 1897-98 (enclosure A).
3. Details of original works proposed to be executed by the Department of Public Works and the Revenue Department. (*Vide* enclosure B.)
4. Details of allotment of expenditure on repairs to be carried out by the two departments. (*Vide* enclosure C.)
5. Details of Civil Charges for 1897-98 (enclosure D).
6. Statement showing the talukwar estimates of receipts and expenditure. (*Vide* enclosure E.)
7. Statement of travellers' bangalos and musafirkhanas.

II. *Estimates of Receipts*—(1) The estimate of receipts under one anna cess on land revenue for 1897-98 has been calculated with reference to the several items of land revenue, &c., settled at the jamabandi for 1895-96 (*vide* details given in enclosure A.) The estimate comes to Rs. 73,363. Deducting 24 per cent of this, which is creditable to the Village School Funds, the balance amounts to Rs. 56,104. To this, the 76 per cent of the probable balance of local cess at the beginning of 1897-98, *viz*, Rs. 3,500, is added. Thus out of the total demand of Rs. 59,604, Rs. 59,396 is expected to be collected during 1897-98.

2. The estimates under " Sale of stray cattle," " Fines for cattle trespass" and "Ferry collections" have been calculated on the average income of the past three years, as these are fluctuating items.

3. As half of the income of the toll-revenue is to be credited to the District Funds under orders of Government, conveyed in No. 419-21—2821-3, dated 12th June 1896, the estimate under this head, as well as local cess, is based upon the contract amount for 1896-97.

4. A sum of Rs. 200 has been entered under "Private contribution" which is expected from the raiyats for works such as wells, &c.

5. The other minor items call for no remarks.

The total receipts under all heads as above estimated come to Rs. 69,838 against the sanctioned estimate of Rs. 67,430 for 1896-97 and the actuals of Rs. 74,500 for 1895-96. The opening balance at the credit of the Board on the 1st July 1897 was estimated at Rs. 51,862 as shown in the margin, making a total estimate of Rs. 1,21,700 available for expenditure during 1897-98.

	Rs.

Estimated receipts for 1896-97...	67,430
Total	1,43,253
Sanctioned expenditure for 1896-97	91,391
Balance on the 1st July 1897 ...	51,862

EXPENDITURE.

III. *Statement of public works proposed to be carried out by the Public Works Department.*—The estimate of expenditure on works to be executed by the Public Works Department, as approved by the Board, under the different heads, is as follows:—

		Rs.
I.	Original works	20,000
II.	Repairs	20,725
III.	Establishment	8,200
IV.	Tools and plant	200
V.	Reserve grant	6,500
	Total	55,625

Statement of Works to be carried out in the Revenue Department.—The list of works to be executed during 1897-98 by the Revenue Department, as approved by the Board, stands as follows:—

		Rs.
I.	Original works	14,648
II.	Repairs	3,460
III.	Establishment	1,800
IV.	Tools and plant	200
V.	Reserve	1,500
	Total	21,608

Statement of Civil Charges.—The estimate of civil charges amounting to Rs. 27,322 against Rs. 18,021 for 1896-97 was approved by the Board. The following are the reasons for the increase of Rs. 9,301 over the sanctioned expenditure for 1896-97.

1. An increase of Rs. 210 under "I. Office establishment" to meet the excess contribution of Rs. 66 payable to the establishment maintained in the Dewan's and Comptroller's offices, the increased pay of Rs. 5 per mensem to the Local Fund clerk of this office, and the permanent retention of a 2nd clerk on Rs. 15 per mensem as sanctioned in Government Order No. 6753-5—L. F. 386-92, dated the 12th December 1896.

2. The increase of Rs. 3,051, under "III. Hospitals and dispensaries" is due to Rs. 1,200 having been provided instead of Rs. 900 for Her Highness the Maharani's Hospital at Mysore, the latter sum being inadequate to meet the increased pay of the Lady Surgeon. The pay of the compounders attached to the Local Fund dispensaries having been revised in Government Order No. 13250-1—Mis. 1962 of the 8th June 1896, an increase of Rs. 228 was necessary to meet the existing contingencies. The buildings in which the Local Fund dispensaries at Gundlupet and Sargur had hitherto been held having been taken back by the parties concerned, a provision of Rs. 100 is newly made for meeting the cost of house rent. The subject is under correspondence, and a report will shortly be submitted to Government. The formation of dispensaries at certain places having been sanctioned in Government Order Nos. 1440-8—L. F. 60-95, and 4019—L. F. 60-95 of the 28th July and 22nd September 1896, respectively, a provision of Rs. 1,440 has been made for the establishment charges of dispensaries at the marginally noted three places. As the rate of feeding charges for each dispensary has been raised in Government Order No. 5876-85—L. F. 112-95 of the 23rd November 1896, from Rs. 25 to Rs. 60, there appears an increase of Rs. 440 under this head. A provision of Rs. 283 has been made for the

1. Periyapatam.
2. Saligram.
3. Bannur.

purchase of furniture for the new dispensaries. To meet the grant-in-aid to Krishnajattappa's dispensary at Mysore, as sanctioned in Government Order No. 13250-1—1962 of the 3rd June 1896, a provision of Rs. 240 has been newly made.

3. The increase of Rs. 450 under "IV. Midwives" is due to the pay of the relieving midwife and of a midwife for the Mysore taluk and two scholarships for midwifery pupils.
4. The 3rd class travellers' bangalos at Chamrajnagar and Kakankote having been raised to the 2nd class in Government Notification No. 2101-4—Mis. 354 of the 11th August 1896, provision is not made to meet the pay of the sweepers attached to them. On the other hand, provision is made to meet the pay of the sweepers attached to Annajaiengar's chattram at Gundlupet, musafirkhana at Bhandipur and the 3rd class travellers' bangalo at Nanjangud, which have since been transferred to the District Funds. A sum of Rs. 296 is provided for the purchase of cooking vessels to musafirkhanas which have not been supplied with the sums. The total increase under this head is Rs. 200.
5. The increase of Rs. 500 under "VI. Conservancy and sanitary charges" is necessary in order that particular attention may be paid to village sanitation.
6. The increase of Rs. 3,880 under "Contribution" is owing to the one-third share payable for the construction of in-patient wards at Yedatore and Tirumakudlu-Narsipur and of dispensary buildings at Sargur and Hunsur.
7. As the commission to pound-keepers is calculated at 5 per cent on the receipts from cattle pounds, there is an increase of Rs. 10.
8. An increase of Rs. 300 is necessary under "Destruction of cover afforded to snakes" to afford better protection to people.
9. The expenditure under "Other items" is raised from Rs. 1,000 to Rs. 1,500. The total expenditure under "Civil charges" is Rs. 27,322 against Rs. 18,021 sanctioned for 1896-97, resulting in an increase of Rs. 9,301.

Summary.—The following is a summary of the estimated receipts and expenditure for 1897-98 as passed by the Board:—

	Rs.
Receipts (including the opening balance)	1,21,700
Expenditure by the Department, Public Works	55,625
By the Revenue Department	21,608
Civil charges	27,322
Total Expenditure..	1,04,555
Closing balance for 1897-98..	17,145
Thus the closing balance is..	17,145

IV. Read Government Order No. 5964-6—L. F. 146-95 of the 24th November 1896, sanctioning an estimate for Rs. 4,760 from Local Funds General for constructing a musafirkhana on the Himavat Gopalaswami Hill in the Gundlupet taluk, with the remark that the work is to be carried out by the Muzrai Department.

Resolved that the same be recorded.

V. Read Government Order No. 6120—L. F. 92-95 of the 26th November 1896, requesting to be informed whether the portion of the Bangalore-Mysore road lying within the Mysore Local Fund circle is properly maintained with the present allowance of Rs. 50 per mile, and, if so, why the French Rocks circle requires Rs. 90.

Resolved that the portion of the road lying within the Mysore Local Fund circle is well maintained with the present allotment, and, therefore, an enhanced rate is not desirable for the portion in the French Rocks circle.

VI. Read Government Order No. 5425-8—L. F. 91-95 of the 11th November 1896, passing orders on the revised District Fund budget estimates for 1896-97.

Resolved that the same be recorded.

VII. Read Tirumakudlu-Narsipur Amildar's Report No. 27—94 of the 21st October 1896, submitting for sanction an estimate for Rs. 785 for re-building the fallen portion of the musafirkhana at Tirumakudlu-Narsipur.

Resolved that the repairs to the existing musafirkhana is unnecessary as such an outlay is not likely to render it substantial, and that it might be sold and a new one be constructed according to the standard plan.

VIII. Read Mysore City Municipal Vice-President's Yadi No. 51 of the 14th December 1896, requesting the approval of the District Fund Board for bearing the two-third cost of the pay of a cook and two attendants for the cholera shed at Mysore with the Civil Surgeon's suggestion that they would be engaged in the Civil Hospital when there is no cholera.

Carried by twelve against one that the establishment recommended was unnecessary and that temporary establishment might be entertained when cholera breaks out.

IX. Read Mr. Ambale Anniayya Pandit's proposal of the 1st November 1896, suggesting that a musafirkhana might be constructed at Chunchinkatte in the Yedatore taluk.

Resolved that the same be approved and a 1st class musafirkhana be constructed.

X. Read letter, dated the 15th December 1896, from the same gentleman, proposing that the Brahmin women might be trained as midwives.

Resolved that arrangements be made to secure two Brahmin women to study for midwifery and budget provision be made for their scholarship at Rs. 10 each per mensem.

XI. Read letter, dated the 15th December 1896, from the same gentleman, proposing that a time should be fixed before which the members of the Board should send in their proposition statement, and that such a statement, after being compiled, should be circulated among all the members.

Resolved that the members be requested to submit proposals to the President a month before the meeting to enable him to circulate the same to all the members so as to reach them at least a week before the meeting.

XII. Read Yadi No. 55 of the 15th December 1896, from the Mysore City Municipal Vice-President, requesting to be informed whether the District Fund Board would agree to bear two-thirds of the establishment charges of a dispensary proposed to be opened at Nazarbadmohalla in the Mysore City.

Resolved that the Board is prepared to bear its quota of charges.

XIII. Read and recorded Government Order No. 5876-85—L. F. 112-95 of the 23rd November 1896, sanctioning Rs. 60 instead of Rs. 25 per annum to meet the cost of feeding in-patients in each of the Local Fund dispensaries.
